

Children Supporting Children

The students at Sts. Peter and Paul Catholic Schools learn the true gift of giving. The 30th Annual Kid's Rummage Sale, organized by a generous Catholic World Mission donor – Mrs. Judy Haberl, was a great success! The students bring in their unwanted toys, books, jewelry, crafts, and movies to sell at the rummage sale. Mrs. Haberl and her 5th grade class spend countless hours sorting and pricing all the items. All the money from this sale will be given to organizations that help needy children who have no food, water, homes, families, shoes, etc.

Catholic World Mission is blessed to be one of these organizations.

Thank you Mrs. Haberl and the students at Sts. Peter and Paul Catholic Schools for helping spread God's love around the world to fellow students in need.

The donations will support Catholic World Mission's 4 pillar work including: Education, which provides scholarships to impoverished children in Mexico and Latin America.
