

Missionary Profile: Ignacio of Tuxtla

A Selfless Missionary

As an ETC missionary, Ignacio spends hours commuting in order to serve even the least accessible communities of the Archdiocese of Tuxtla

For some of these nine communities, walking to and from town is the only form of communication with the outside world. Ignacio happily makes these journeys, visiting over a thousand homes during his service as a missionary.

Ignacio finds his calling in the preparation of local parish catechists. With over 165 men and women furthering their studies of the Catholic faith, this missionary constantly has more and more exciting work.

Ignacio and his fellow missionaries find great fulfillment in their work: the small towns they service enthusiastically welcome them on each of their visits. The amount of gratitude expressed by these small communities keeps Ignacio motivated as he continues his great work.

Catholic World Mission is proud to stand by amazing men and women like Juan Antonio. Through the support of our donors, we provide ETC missionaries with the means to continue serving communities in need.
