

Lights OF THE World

Felicia Amanambu

Celebrating the good works & dedication of faithful people everywhere

encounter or who will try to stop her. "I serve the underprivileged in the eastern, western and southern states in Nigeria, traveling to almost twelve states where I supply the clinics with things like beds, wheelchairs and high blood pressure medications just to name a few. I also assist in educational furnishings, building seats and donating meals for children who come from homes where they have nothing to eat when coming to school." She shares with us that where ever she goes people shout, "Catholic World Mission is here! Catholic World Mission has come to help us!" Felicia's missionary spirit enables her to be a light of the world in more ways than one.

Bringing Quality Healthcare and School Supplies to Those Most in Need Living in Nigeria

Felicia is from Nigeria and feels a great desire to see her people rise up and out of poverty and the afflictions that follow it. Poverty in Nigeria faces extremes compared to the United States. Either you are rich or you are poor. 70% of people in Nigeria fall below the poverty line. Entire families live on less than \$1.75 a day. Felicia's mission is to go where the poorest of the poor live and bring quality healthcare with her. She knows that for children to break out of poverty their parents need to be healthy as well. Her annual visits to Nigeria range from a couple weeks, to a few months. Felicia pays a group of physicians to follow her into decrepit areas that have not seen a doctor in years to distribute vitamins, diabetic medicine, and to perform physicals and wellness exams. At these clinics they are able to diagnose illnesses and diseases, and provide proper referrals for patients to be seen in government hospitals.

Felicia's mission to serve those in Nigeria started when she returned to Nigeria in 2008 to bury her sister in their home country. It was then that the poverty and corruption opened her eyes and she could see how Christ wanted the people in Nigeria to rise out of their desperation. Felicia shares with us that she puts all of her trust in God when she goes out to deliver medicine, and buy school supplies for children. She never knows who she will

You are the light of the world ... your light must shine before others, that they may see your good deeds and glorify your heavenly Father.

Mt. 5: 14-16

Catholic World Mission honors Felicia & all those who use their gifts to be a Light of the World.
