PARISH

It is a very good thing that the archdiocese has commenced 'The Course of Theology for the Lay Faithful' and I am one of the fortunate few to get the opportunity to get enrollment for the first batch.

After going through almost one year of study, I can confidently say that it is indeed very enriching and has impact given more meaning to the Catholic formation in which I have been brought up in.

I ~~have~~ ^{am} now able to read, understand and interpret the word of God in proper perspective. Though however fresh confusion and doubts have crept in my mind which I hope to clear by more indebt study of the same.
