

Dear Rev, Fr.

This Theology course for the Lay Apostolate has helped me to deepen my faith in Christ Jesus, more so it has helped ~~me~~ me to grow more in the scriptures, Now when I read the word of God, it makes lot of sense to me, I can understand the theological background and the message of the books better.

The professor's here are Experts and they give in their lect. with beautiful power-point presentations which makes our learning process even more effective.

On the whole I would like to thank our Archdiocese and the Director of this course for their constant support and help, May God give them more grace and keep them in Good Health.
