

11<sup>th</sup> January, 2015.

I was ignorant of so many truths of our Catholic faith. This course has interestingly thrown light. I feel enriched now. Fr. Henry Falcão has taken care to choose specialized preachers for different topics. Everything very well organized. Can feel the love of God Almighty through Fr. (Dr.) all priests giving sessions and this group (theology class). I thank God for helping me or enabling me to attend this course and taking care of all other needs.
