

Pastoral Institute

dt. 11th July, 2015

I was very happy when my Parish Priest asked me to join the Theology course to be held, for the first time, at Pastoral Institute. Though I was ~~afraid~~ ^{worried} whether I would be able to follow the instructions or teachings, I joined the course and I am happy that I gained a lot ~~of~~ of knowledge out of the course thanks to Dr. Fr. _____ who, beside him, he got best of Priest Lecturers.

Today, I am very happy, my knowledge can be used to deal with my companions, some persons of other faiths, etc.
